

## GRAMMATICAL GENDER

Names of female professions are most often formed by adding the following suffixes to male professions:

**-ka:** *učitel* > *učitelka*, *prodavač* > *prodavačka*, *policista* > *policistka*

**-ice:** *úředník* > *úřednice*, *dělník* > *dělnice*

**-yně:** *kolega* > *kolegyně*, *sportovec* > *sportovkyně*

Note also other possible spelling changes:

*politik* > *politička*

*psycholog* > *psycholožka*
